As I was walking down the endless
highway of Time toward the dark uncertain
of Tomorrow, I Stopped to look
at a flower,
and saw in it's golden yellow
beauty the joy of times past,
and I thought of my yesterdays
laying forgotten in the
darkness of a somewhere room
known as Past . . .
and before I went on,
I gathered up a bouquet of the precious
yellow flowers . . .

This year Santiago celebrated its tenth year. In our Homecoming celebration we welcomed back Lily Parker, Santiago's 1969-1970 Homecoming Queen.

The Princesses for 1970-1971 were Freshman Princess, Michelle Schomer, Sophomore Princess, Bev Frazier, Junior Princess, Kathy Ortiz, and the two Senior Princesses were Debbie Lane and Mindy Rojo, all of which were chosen by their individual classes. The two Senior Princesses were voted on by the Student Body to determine the Homecoming Queen and the runner up was the Senior Princess.

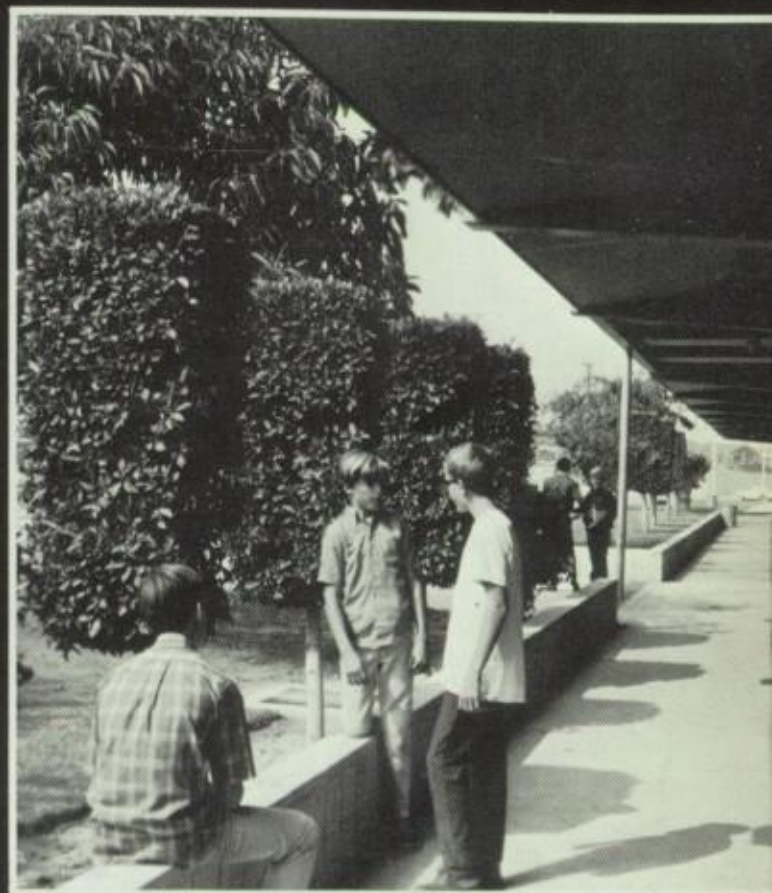

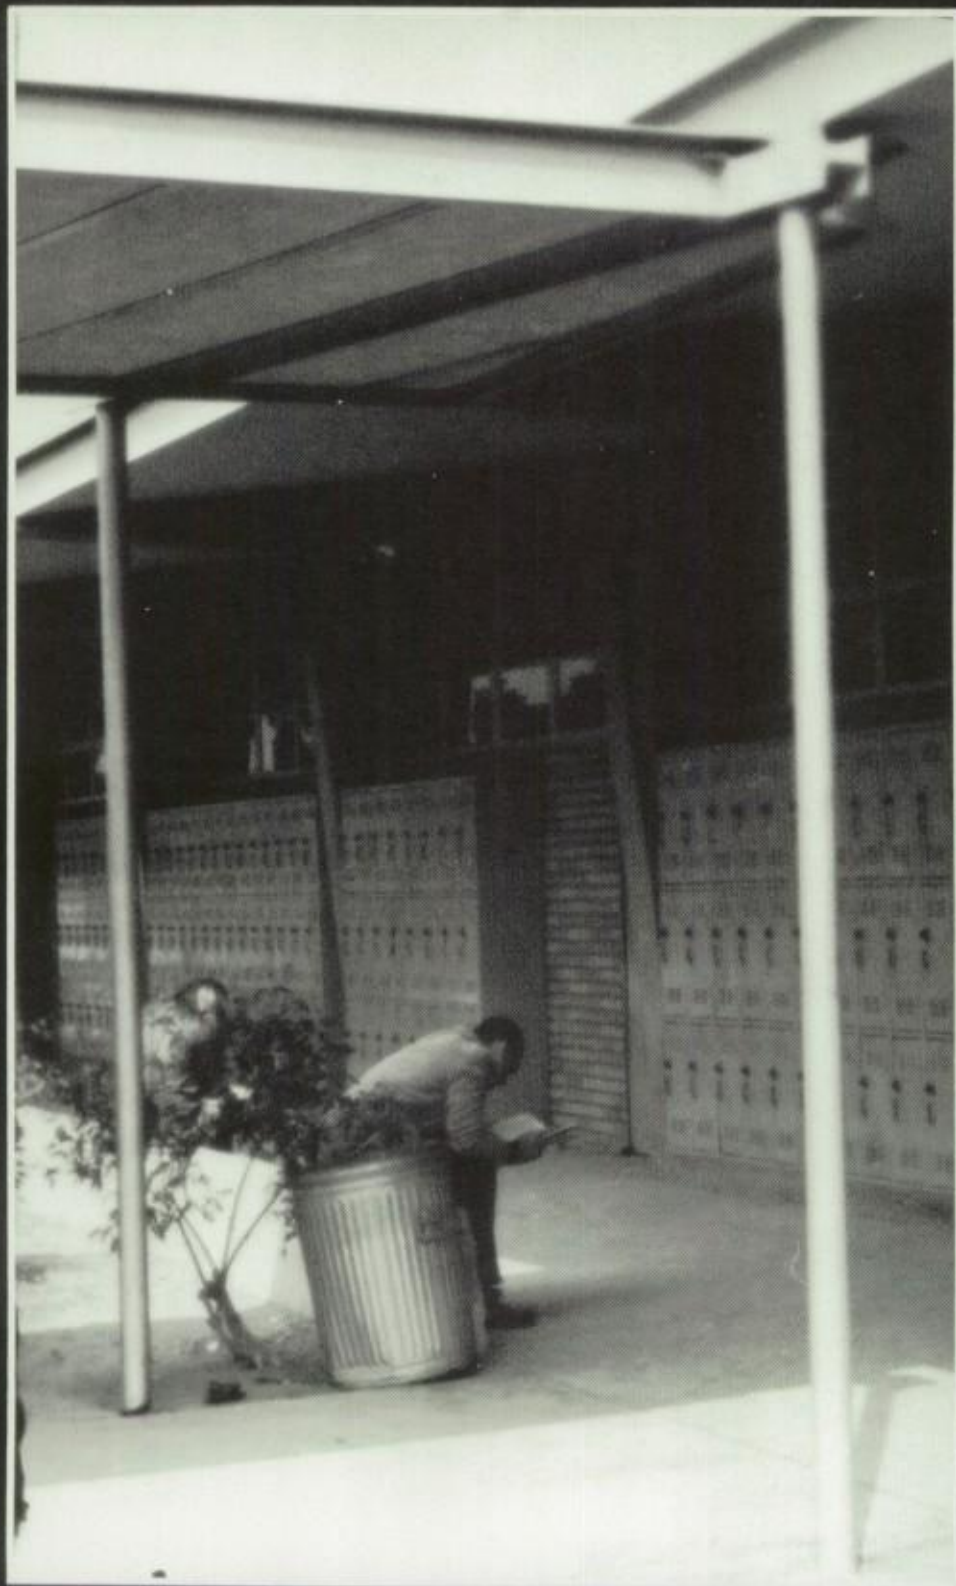

This year's Homecoming Queen was Mindy Rojo. On the basis of Spirit and fund raising activities during Homecoming week the senior class was awarded a special Spirit Trophy.

The time is now to look back
back on a world of first kisses and special dates . . .
a world of football games and falling leaves . . .
a world of endless classes and close friends . . .
a world which too soon ends leaving you with only your memories . . .

Yesterday, as I was
walking toward a
galaxy of tomorrows
I looked back and saw
hidden in the shadows
of the forest the fleeting
form that was my
past

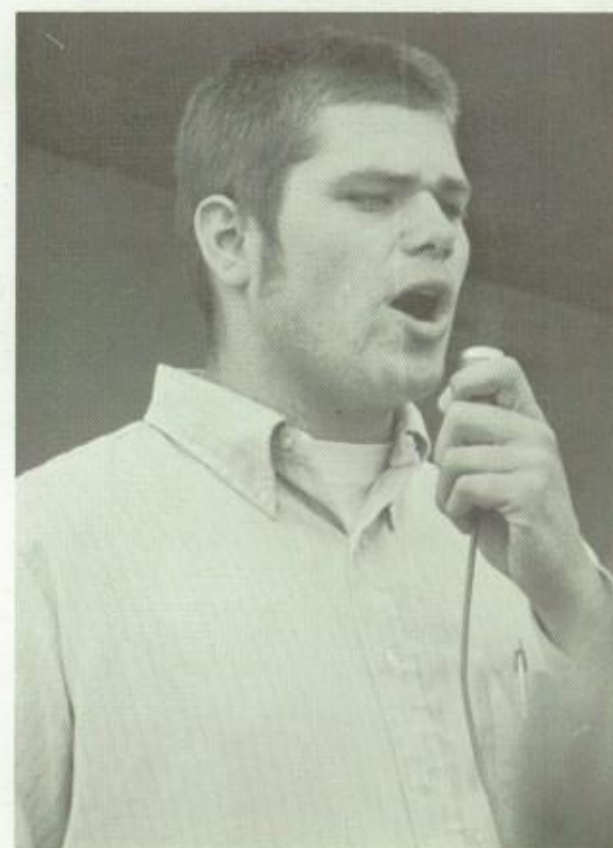

So I stopped and we
spent the rest of the
day in a world
of memories and
times gone by,
and last night
we fell asleep
smiling . . .

ACTIVITIES

HOMEcomings ACTIVITIES

Our annual Spirit week, October 12-17, 1970, consisted of competition between the Seniors, Juniors, Sophomores, and Freshman. The competition activities were the Volkswagon push, turtle race, raft race, bragging contest, trash pick-up, and tricycle race. During the week, a concert was sponsored by the seniors, and a pep assembly was given on Friday for the big game against Los Amigos in the evening. Senior class president, Chris Oldenbrook, accepted a trophy for all the seniors because of raising the most spirit points. Then, for the highlight of the evening, senior princess, Mindi Rojo, was crowned 1970-71 Homecoming Queen. Our traditional Homecoming Dance followed the game and ended Spirit Week.

The big homecoming game against Los Amigos brought us a 42-0 victory.

Our Spirit Week came to a close with the Homecoming Dance.

Our Spirited football team salutes and sings our Alma Mater in the Spirit Week pep assembly.

The group, Profit, played Thursday afternoon of Spirit Week, sponsored by the senior class.

The natives seem a little too friendly . . .

This is just a little song and dance routine we threw together . . .

CHRISTMAS ACTIVITIES

During the Christmas week at Santiago, Rick Philleo and Phil Cognito painted the cafeteria windows which helped everyone get into the Christmas Spirit.

Drill Team had a Christmas pot-luck. A visit from Santa and story time around the Christmas tree were only some of the evening's highlights.

The Freshman class decorated their section of the quad symbolizing a White Christmas.

CO-ED DANCE

Dave Diaz
1971 Co-ed King

Cheryl Keithly crowns Dave Diaz Co-ed King. The four runners up are Randy Meiers, Mike Broderick, Dwight Schooler, and Dick Jones.

In charge of refreshments, Julie Miller and Diane Nussy worked hard throughout the evening.

The Co-ed Dance which was held at the Jolly Roger Inn proved to be a success by the number present.

King Dave Diaz and his date began the coronation dance.

Varsity Cheerleaders urged Santiago vitality . . .

Our cheerleaders' inspiration is their goal, enthusiasm is their example... hours of practice, endless journeys to different destinations, spreading their spirit on a stormy rain soaked night... all to bring the Cavalier vitality to those outside of the purple and gold...

SONGLEADERS COMBINE EFFORT WITH TALENT...

Another facet of cavalier spirit... the songleaders. Their objective... expressing the enthusiasm of their fellow Cavaliers through dance.

The precision of their steps... typical of Cavalier perfection. Their quick movements always ending with an outburst of clapping. Their talent and unity was a pre-forming way to show that purple pride in Cavalier Country.

Junior Varsity Cheerleaders vital to success on every level.

Cavalier exuberance must be generated; this was the challenge taken on by the J.V. cheerleaders- the happiness of a responsive cheering section... the disappointment of being the only six there to yell. Their task was great, their success was obvious, they were a unit vital to the Santiago Family.

DONKEY BASKETBALL

The Donkey Basketball game this year was full of excitement with the Faculty playing Lettermen and Lettergirls. With the score tied and a sudden death playoff, the Faculty pulled through with a victory over the students, 38-36. It was the highest scoring donkey basketball game and the only sudden death playoff at Santiago.

DRAMA

The Drama department featured many plays throughout the school year. In the fall play, *SPLendor IN THE GRASS*, the main characters were played by Rita Carratello and Marlan Bowser. The play was done by the Drama III students and directed by Mrs. Morgan.

The Christmas play, *THE GRINCH WHO STOLE CHRISTMAS*, was directed by Mrs. Gustkey. The Drama I students performed this for Clinton Elementary School. The Sandpipers provided the chorus and Christmas carols to add to the Christmas spirit.

It is from numberless diverse acts of courage and belief that human history is shaped. Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring those ripples build a current which can sweep down the mightiest walls of oppression and resistance. . .

FOSTER PARENTS CLUB

The Foster Parents Plan is an international organization which is non-sectarian, non-profit, non-political and provides for the sponsorship, care, maintenance, primary education, training and well-being of needy children and their families wherever they may live.

So far, 110,000 children of 30 different nationalities have been rehabilitated through the Foster Parent Plan. This has been accomplished through 600,000 persons acting as Foster Parents, individually and in groups.

Currently, more than 50,000 children are being cared for in many countries throughout the world.

Santiago's Foster Parents Club is contributing \$16.00 per month toward the support of its Foster Child Liza Francisco and her family. Liza lives with her large family in the Philippines on the outskirts of Manila in a small hut made of bamboo and native palm leaves. The area is a rural community and would be a healthy environment for children to grow up in if it were not for the torrential rains that causes flooding and swarms of infested mosquitos. The well-worn clothes the children wear are hand-me-downs given to them by friendly neighbors and relatives. Fortunately the climate is hardly ever cold. Liza's parents were raised in this same community and like many poverty stricken people had no education. Both parents always had the hopes of giving their children the opportunities they themselves missed. The father worked as a fisherman for many years. In 1966, his body was lost in a storm while out at sea. Since then, Liza's mother has struggled to provide some measure of security for her five sons and three daughters. Mother earns a meagerly sum of \$2.50 a week by being a seamstress.

Liza is a friendly, charming little girl. She is 14 years old, and average student in school, and speaks the Tagalog dialect. One of her school subjects is English. Her health is reasonably good by their standards, even though her diet consist of rice, native vegetables, and sometimes fish.

Members of the Foster Parents Club enjoy corresponding with Liza and feel great satisfaction in knowing they are helping Liza and her family.

A DAY IN THE LIFE
OF A TEACHER

THE PROUD CLASS OF ONE AND SEVENTY...

The Seniors would like to thank their advisors, Mrs. Senese and Mr. Baker, it's been a great year.

Looking back on a year gone by, what light will signify it...

the sparkle of friendship
the illuminance of learning
the foggy glow of truth pursued
the collage of intensities
of trying to be ourselves...
